WELCOME TO AEMC!

In this bulletin you will find the information tear-off portion. This card is important to us in planning and ministering to the congregation. If this is your first time with us we would like to have a record of your visit. Please place the card in the offering plate.

We have a special gift bag for all our newcomers, which you may pick up in the library after the service.

Thank you for honoring us with your visit. We hope we'll see you again.
